## Application Instructions:

Your application will not be processed until all documents are received. Please read the below requirements carefully.

- **Submit a 2023-2024 Free Application for Federal Student Aid (FAFSA) on [www.studentaid.gov](http://www.studentaid.gov).** Only U.S. Citizens, permanent residents, or eligible non-citizens may apply. *Regardless of your actual dependency status, ALL applicants MUST provide student and (both) parents' financial information on the FAFSA. Failure to provide this information will result in being ineligible for LDS funds. The parent information does not affect your other federal student aid.*
  - If your parent(s) are deceased, please submit copies of death certificates.
  - If your parents are divorced or never married, you must enter one of them on the parent section of the FAFSA and complete the DRT, if available. You would then need to submit the other parent's signed tax return. We must verify income for both parents, either via the IRS DRT or a copy of their signed tax return.
  - Please be aware that if your FAFSA is selected for "verification," we must wait for that process to be complete before reviewing your LDS application.
- **Submit tax information.** When completing the FAFSA, we encourage you to use the Data Retrieval Tool (DRT) to pull the student, spouse (if applicable), and parent tax information. This tool allows you to submit accurate responses to tax-related questions. If the DRT is not available for you and/or your parents to utilize, please read below:
  - Submit yours and both (if they did not file together) of your parents signed 2021 IRS Tax Return.
  - If you and/or your parents were not required to file a 2021 tax return, you must submit a copy of the IRS Verification of Non Filing letter along with a signed statement explaining why they were not required to file. To request the letter, go to <https://www.irs.gov/>.
  - If an income of \$0 is submitted for you, your spouse or either parent, a signed statement with an explanation of why no income was reported is required. (Example: Spouse is also a student and was not employed, etc.)
- **Submit a 2023-2024 LDS application to the Financial Aid Office.** Priority deadline is May 15<sup>th</sup>. Available LDS funds will be awarded in order in which completed applications (including supporting documents) are received. Availability is not guaranteed to all applicants.
