

Away Rotation Budget Adjustment

Information & Instructions

This form is primarily for M4 students required to complete away rotations to match in a competitive residency program. The M4 COA includes \$1,000 for an away rotation; therefore, any increase request must exceed amount already provided.

However, special circumstances will be considered on a case-by-case basis for other graduate degree programs. Away rotation must be required and approved; if a local option is available then your request will be denied; supporting documentation required.

Federal financial aid regulations give authority to use a “professional judgement” to adjust the cost of attendance on a case-by-case basis to allow for special circumstances.

A student may request an increase for reasonable expenses related to required and approved away designated clinical rotations. Approved budget increases will be processed in the Direct Unsubsidized or Graduate PLUS Loan. We cannot increase your Direct Loans beyond the federal annual limit. The Direct Graduate PLUS Loan requires a credit check for approval.

NOTE: This increase request is intended to be utilized by M4 COM students seeking to match in competitive residency program or P4 COP students required to complete an away rotation when a local option is unavailable. Special circumstances will be considered on a case-by-case basis for other graduate degree programs.

Allowed Away Rotation Expenses

- Reasonable economy round-trip travel (airfare or mileage, ground transportation; must be the most cost efficient option-you are responsible for providing the supporting documentation)
- Reasonable costs of lodging. Not to exceed GSA rates. Refer to the link at the bottom of this form.

Expenses Not Allowed

- Meals (food allowance already provided in COA)
- Gas or Vehicle Repairs or elective rental fees required (ex. loss damage waiver)
- Lodging that exceeds the GSA rates
- Travel or meals for spouse, child or anyone other than the student
- First class airfare

When to request an increase for away rotation expenses

You are at your cost of attendance and need additional funds. Request a budget increase to add away rotation costs, as **reimbursement** of expenses after away rotation expenses are paid.

Documents will be reviewed, and the approved amount will be processed as a loan increase per the signed authorization on the Away Rotation Budget Adjustment Request Form.

Disbursement/Adjustment Procedures

Disbursement will be made in one installment for the term in which the expenses were incurred.
