Section 2: Loan Increase Request

Do **NOT** include any previously accepted loan amount in your current request. Include **ONLY** the amount by which you wish to increase your loan. One-term loan increases will be processed as a separate loan for the term indicated and will not be approved if the increase creates an over-award for the term or aid year. **Loan increases for multiple terms MUST be equally split between each term.** The Department of Education charges a loan processing fee for each disbursement. You will need to consider this processing fee when determining the amount you wish to increase. Please contact our office if you need assistance determining the correct loan revision amount. **Enter the amount you would like to add to your existing loan amount:**

Loan Type	Fall	Spring	Summer Trailer
Federal Parent PLUS Loan:	\$	\$	\$

Section 3: Loan Reduction/Cancellation Request

Reductions/cancellations will only be applied to undisbursed amounts or amounts disbursed within the first 10 days of class (14 calendar days). After this time, it is the parent's responsibility to return funds directly to the loan servicer. You can cancel all or part of your loan within 120 days of disbursement and no interest or fees will be charged. One-term loan reductions require an equal reduction of any/all future term disbursements. *Example:* Fall reduction requires an equal reduction of the Spring award. **Enter the amount you would like to return. To cancel a loan in full, write "cancel" under the appropriate term(s):**

Loan Type	Fall	Spring	Summer Trailer
Federal Parent PLUS Loan:	\$	\$	\$

The adjustment on the student's account will reflect the **net** loan amount. Your loan will be reduced by the **gross** loan amount to account for the reduction in fees. The student will be responsible for any balance owed to UAMS based on the adjustment of the Parent PLUS loan.
